Scholarship Application Information Sheet

College scholarships are awarded annually by the Rotary Club of Singer Island each school year. Club scholarships are four thousand dollars (\$4,000) paid at the rate of five hundred dollars (\$500) per college semester for a maximum of eight semesters. Once awarded, scholarships are renewed each semester upon submission of an official transcript showing the student is maintaining at least a "C" average. The college transcript must be sent within 45 days of the end of the semester in order to remain in good standing. The number of club scholarships awarded each year depends on funds available and is at the discretion of the Club.

Selection Criteria

Submit an application including:

Completed Rotary application form

Transcript of grades and test scores

Letter from applicant stating why he/she desires the scholarship
